Graduate Placement Rates.

The graduation Placement Rate for students graduated from Mansfield Beauty Schools Cosmetology Apprenticeship program from January 1, 2016 to December 31, 2018 is currently unavailable. The Graduate Placement Rate is the number of students obtaining full time (at least 32 hours per week) and non-temporary employment in the field of study during the latest two calendar years for which the school has obtained verification, divided by the number of all students graduating from the program during the latest two calendar years. The graduate placement rate shall be determined within 180 days from the end of each calendar year. We are unable to obtain verification of the hours a graduate works per week as some are independent contractors who work in a salon, may work in a mobile salon or work variety of hours every week.
